Term 4 Week 7

Stage 1 Intensive Swimming

The Stage 1 Intensive Swimming Program commences on Monday. Children from Years 1 & 2 will be accompanied by Mrs Chappell, Mrs Thieson and Mrs Posker-Hill.

School Evaluation

As part of our annual school evaluation process we are asking parents to complete three surveys online. The three areas we are evaluating are Personal Development, Health and Physical Education (Curriculum), Learning (Educational Management) and School Satisfaction. The information we receive from these surveys will help define our directions for future years. Please access the surveys on the following URLs or through the Online Surveys section of the school website.

Breakfast with Harold

What a treat it was to have Healthy Harold visit the school Tuesday morning while the children were having their healthy breakfast. He certainly is keeping fit and healthy. I’m sure eating healthy and exercising (some amazing dance moves) help enormously with his healthy lifestyle. The children enjoyed Harold’s presence immensely.

Gifts for Staff Members

We are approaching that time of year where parents and students want to express their gratitude to staff members for all their hard work during the year. Whilst the staff appreciates gifts there are strict DEC guidelines we must comply with when accepting gifts. Please ensure that no gifts are valued over $50. Please also remember that it is not necessary to give a gift. The greatest satisfaction we receive is the progress our students make during the year.
