TOTAL SCHOOL AVERAGE
Hi Everyone,

As we come to the end of Term 2 the P & C would like to provide the school community with update of its activities and achievements for the first half of 2015.

First of all, I am sure everyone has seen the new playground and I know the children are really enjoying it. Well I am proud to say that this came about in part as a result of the P & C’s fundraising efforts in 2014. We have undertaken many activities already this year including the Easter Raffle, Mother’s Day Stall, Minion Movie Event, School Banking Scheme, Second Hand Uniform Stall & Entertainment Books. I am happy to report that so far we have raised $8440 from these great activities which is an amazing achievement considering we had a late start to the year. A big thanks needs to go to everyone involved in these activities not only from our P & C members but also our parent volunteers.

We are working closely with Mr Squires on how we can support the school with these funds and some of the things we are looking at supporting are Interactive and Mobile White Boards, Ipads, Literacy Resources and Developmental Play Equipment among others. As the year progresses the P & C will provide an update of the spend allocation for these funds.

I am happy to announce that we have some exciting new activities planned for terms 3 & 4 so please keep an eye out for each of these events. They include the Father’s Days Stall, Walkathon, Cookie Dough Fundraiser and a School Disco. We would love for everyone to support these events and activities where you can as it will end up benefiting the school and our children.

Thanks for your support and we look forward to seeing you at the next P & C meeting on Tuesday the 4th of August at 7pm.
