Weekly Bulletin of Beverly Hills Public School
Celebrate Attendance
Hints and Tips No. 4: Good Attendance

There are a number of sound reasons for you to ensure that your child attends school regularly.

Firstly, attending school every day makes learning easier. For younger students, missing the basic skills often leads to learning problems later on and for older student's absenteeism often interferes with academic progress. Friendships with other students are also easier if your child attends school regularly.

The law in NSW states that all children between the ages of 6 and 15 years are required to attend school. Sickness or injury, attendance at a special religious ceremony or a serious family situation are satisfactory reasons for non-attendance. Please let the school know why your child is not at school and provide an explanation on your child's return to school.

Birthdays, haircuts, pension days, Mondays etc are not satisfactory reasons for absence from school. Also try whenever possible to arrange your holidays in school vacation times.

Please contact your school principal if you need any help or have any questions.
