Pedestrian Safety

I was disturbed by an incident that occurred yesterday afternoon concerning one of our students. This child was directed by a parent/carer from the other side of the road to cross King Georges Road (6 lanes) and was almost hit by a truck. I am concerned that this parent/carer showed such disregard for the welfare of this child that their actions bordered on neglect. I will be doing everything within my power to identify the family and will be speaking to the parent/carer about the potential ramifications of their actions. Laziness is not an excuse for putting our children’s welfare at risk.
Athletics Carnival

The K-1 and 2-6 Athletics Carnivals were held last Tuesday in excellent conditions. It was wonderful to see so many students, staff and parents having an enjoyable day at Barden Ridge and at school. Whilst the 2-6 Athletics Carnival provides a selection process for the District Carnival and subsequent carnivals, it is an opportunity for our students to participate in some physical activity. I was particularly impressed by the fact that all children engaged in some enjoyable, physical activity on the day.

Thank you to the staff for their contributions on the day. Thank you to the parents who visited and supported on the day. Thank you to the children who participated and behaved so well. A special thank you needs to be made to Miss Tucci, Miss Lonergan and Mrs Atkins (2-6 carnival) and Miss Carratt, Ms Sillato and Miss Flanagan (K-1) who did a phenomenal job in their organisation of such a special day.

Car Park

We received an impromptu visit from a police officer last week concerned by the number of cars that were waiting in ‘No Stopping’ zones and creating traffic issues on King Georges Road and Stoney Creek Road. He returned on Monday and directed cars along King Georges Road. He has informed me that he will continue to return over the oncoming weeks and any car stopped in the ‘No Stopping’ zones may be booked. The fine is $248.

Education Week

In Week 3, from July 27, our school will be celebrating Education Week. Beverly Hills is a very proud public school and we have a number of events to showcase.

On Wednesday, July 29, our choir and dance students will showcase their talents on stage at Rockdale Plaza. Commencing at 11.00 a.m. until 11.35 p.m., all parents and friends are invited to cheer on our performers. On the next day, Thursday, July 30, commencing at 1.15 p.m. our Band will perform for the school in the hall. From 1.30 p.m. parents are invited to join their children in the playground for a picnic lunch. Something special from the whole school will be occurring prior to classroom visits. From 2.00-2.30 p.m. for K-2 students and from 2.30-2.55 p.m. for 3-6 students, all classrooms will be open for parents to come in and look at their child’s classroom with their child. This is an opportunity for children to articulate to their parents what they are doing in class and show parents their work.

Please take the opportunity to support your children and the school at these special Education Week events.

Kindergarten Enrolments for 2016

At the beginning of this term the first round of anticipated enrolment numbers will be due to the Department of Education and Communities. If you have a child who will be enrolling in Kindergarten in 2016 please telephone or call into the school office for an enrolment form. It is really important to have our anticipated enrolment numbers as accurate as possible, so your assistance with this matter would be greatly appreciated.

From the Chaplain’s Desk: **Inside Out**

During the holidays I went and saw the new Disney PIXAR movie, Inside Out. Inside Out is the story of an 11 year old, Riley, a happy, positive, hockey loving girl. But Riley’s life suddenly undergoes some drastic changes. The story is mainly set inside Riley’s head where her different emotions react to the situations that arise. Some of her emotions begin to try to take control when Riley starts to make some dangerous choices. This excellent movie highlights the importance of understanding how we feel and the choices we make, as well as realising that all emotions are valid and need to be felt and understood. Ignoring some emotions can have perilous effects as Riley realises. As parents and carers we are our children’s emotional coaches. We need to help them navigate through the complexities of emotions. I thoroughly recommend this movie as wonderful starting point of discussing feelings. I’m giving it 5 stars.
