Technology and Child Protection

This term as part of our Child Protection and Technology Program students will be learning about their role as digital citizens. A digital citizen is a person who uses digital tools such as computers and mobile phones to interact with others, for example, sending SMS and email, posting pictures to social networking sites and participating in blogs and online discussions. In class students will be learning about staying safe and healthy while using digital technologies; appropriate and inappropriate behaviour and being a positive contributor in an online world. Digital citizenship is important because students need to learn the concept of using technology responsibly and not misusing it to the disadvantage of others. As we spend more time online, it is vital to understand how to stay safe online.
From the Chaplain: Screen Time

As a mother of three boys who love their screens it is a constant challenge to encourage a balanced healthy life style. Do you struggle with screen time with your children? How much time do they currently spend on screens per day? The Department of Health recommends that children between 5 and 12 years should be exposed to no more than two hours per day. Breaks during this time are encouraged. The most powerful way of helping our children is by modelling healthy choices in our own lives.

3 tips on restricting screen time.

1. Workout how much screen time to allow and when and stick to it.
2. Remember children need to get up and move every half hour, even if it's just standing up and jumping on the spot or running around the house once.

It's not easy I know but it is worth the effort for the good health of our children.

Kylie Tomalaris
School Chaplain

Lost Property

Unfortunately, the lost property container is now permanently full to overflowing with clothing and lunch boxes. This must be costing parents a great deal of money, and does not present a good image of the school to visitors, showing a sad lack of respect for property, and personal responsibility on the part of the children. From the start of Term 4, every second Friday the contents of the lost property box will be given to the second hand uniform stall. For health reasons, the lunchboxes will have to be thrown out. Hopefully, this will encourage the children to understand that they must take responsibility for looking after their belongings.

We are not starting this new process until next term, so that parents and carers have plenty of time to have a conversation with their children about what will happen. Please help them to understand the cost involved in constantly replacing uniforms and lunch boxes, as well as the importance of looking after their things, and being proud of the appearance of their school. We appreciate your cooperation in this process, and hope that in the long run it will save you all some money.

Assembly Changes

There have been some changes to assemblies for the forthcoming weeks. Please keep these in mind if your child is in one of these classes and you intend to attend their assembly.

Can you help out with Father’s Day stall?

Can you spare an hour of your time? We are looking for volunteers to help run the Father’s Day stall this year on Wed, 2 Sept & Thur, 3 Sept.

We need volunteers to help:

- Set up at the stall at 8am
- Sell to the students for 40mins: 8.30am-9.10am
- Assist with packing away.

The entire volunteer shift would be finished no later than 9.20am. If you can assist on either day then we’d love to hear from you.

Please contact Vassi Miliotis on 0407 211 991.

This is a fantastic opportunity for your children to buy a special gift for their special dad, grandfather, uncle etc in their lives.

We can only put on these events for the children if we have enough volunteers to help run them.

All money raised will go towards much needed resources for our school – it’s a win win!

Walkathon Fundraiser is underway!

By now, all families would have received information about the School Walkathon. This biennial event is a collaboration between Beverly Hills Public School and the BHPS P&C Association. The Walk-a-thon is the P&C Association’s major fundraiser for the year.

The Walkathon will take place on school grounds on Tuesday, 1 September. All students received a poster size Sponsorship Form, which contains fundraising details and prizes that students can earn from their fundraising efforts.

Please have fun with this event and raise what is manageable for your family. We are happy with donations of $2 or $4 or $5 or $10 (or more) per sponsor. Students who raise a minimum of $10 or more will receive a reward prize for their efforts.

The more donations your child receives, the better prize(s) they can choose. Students can even boost their prizes with the option to mix and match. More details are included on the Sponsorship Form.

All sponsorship monies are due back to school on or before Wednesday, 26 August. Please use the School Payment Envelope sent home with the Sponsorship Form and information letter.

All monies raised from this event will provide our school with much needed resources for the benefit of all our students.

We have also posted flyers/posters and information around the school. If you did not receive a Sponsorship Form, please visit the School Office for a copy. We have a limited supply available.

Alternatively, please LIKE our Facebook Page to stay up to date with all the latest information. Search for “Beverly Hills Public School P&C Association”.

French Language Lessons After School

LCF Fun Languages has been running children’s language classes for over 30 years and operate after-school language clubs across Australia. After some great experience with the LCF French club at Peakhurst PS, we are now seeking interest to start an LCF after-school French club at Beverly Hills PS!

The LCF methodology offers interactive and structured programs that encourage children’s full participation in a fun and engaging learning environment. Children are immersed in the new language and learn through a combination of drama, storytelling, songs, craft and games.

When? Wednesdays from 3.05 to 4pm, starting Term 4 (first class: 7/10/2015)
Where? In a classroom at BHPS (details to come)
How much? $152 for the 8 week program of Term 4 (sibling discounts available)
How?
Please register your interest directly with agnes.thevenin@lcfclubs.com.au by Friday 11th September, and include your child’s name, Date Of Birth , school year and if any prior French experience.
If we get a minimum of 6 interested children, we can start the classes in Term 4, 2015. If there is sufficient interest, the classes can continue in 2016 and the program can be extended to interested students up to year 5.
To find out more information, please visit LCF’s website http://www.lcfclubs.com.au/, or talk to Amy Gibson or Nishat Moollan, whose children have personal experience with the program.
Agnès Thévenin, local manager of Fun Languages in Southern Sydney (0425 821 223), is also happy to answer any questions.

Merci!
