Performing Arts Showcase

Last night over 300 parents and friends experienced our 2015 Performing Arts Showcase. Thanks to the dedication of many staff, students were given opportunities to shine. The choirs, the dance troupes, the bands, an amazing ‘thought provoking’ presentation from 3/4AM and a special finale were highlights of a wonderful night.
Thank you to all the students who performed, the parents that supported the evening and the many teachers that invested so much time into making the event such a memorable one.
Special mention should be made of Becky and Katya, our outstanding comperes, who conducted the evening’s events so professionally.
Thank you also to the staff that attended on the night helping as light and sound directors, ushers, personal assistants, supervisors and supporters. A special thank you to our Performing Arts team for their hard work and dedication.

Lost Property Update

Thank you to all the students who claimed their items from the lost property collection on the silver seats last Friday and from the box throughout the week. We encourage all students to ensure their property is clearly marked with their name and class to ensure items can be easily identified. Again this Friday all items from the lost property box will be arranged on the silver seats, outside G Block and next to the games court. Items will be available before school, during break time and until 2.45pm. We encourage all children to claim their items, however, any items that remain unclaimed after Friday afternoon will be donated to the P & C Second Hand Uniform stall or discarded. From Term 4, each Friday items will be arranged on the silver seats, and every second even Friday (Fridays of weeks 2, 4, 6, 8 and 10) any unclaimed items will be donated. Self-organisation is a quality that we strongly encourage in all our students, no matter what grade they are in, and it is important that they are responsible for their own items. Thank you for your ongoing support.

Help Needed

Beverly Hills PS has received many new resources, which is a great thing for our school. Before they can be borrowed from the library and used in classrooms they need to be covered with clear contact to ensure they are around for future years. We will be holding a covering ‘master class’ hosted by Mrs Boaden on 12th of October (Monday afternoon of Week 2 Term 4) at 3-4.30pm. We need your help! Can you spare a few hours to cover some books? If you are able to donate some of your time our school would be very appreciative! Afternoon tea will be provided. Please see me if you have any questions.

School Banking: Every Friday

Important Notice from Commonwealth Bank

Following the decision last month to recall the Cosmic Light Beam Torch due to a potential safety issue, a decision has been made to also withdraw the upcoming Lunar Light Band reward from the School Banking Rewards Program.
To avoid disappointment there is a new reward item available for redemption in Term 4 while stocks last. Students can now test their skills with a game of frisbee with the new Galaxy Glider! Once students have collected 10 tokens, they can simply include a note, along with their 10 tokens in their deposit wallet on banking day to advise that they would like to redeem their tokens for the Galaxy Glider reward item. Don’t forget the Outer Space Savers Money Box is also available in Term 4.

If you have any queries, please email the School Banking Coordinators at BHPSbanking@gmail.com. Happy banking!

The Woolworths Earn & Learn promotion has finished for 2015. It has been an amazing effort by the school community, and we have collected over 15,000 stickers! Our school will soon be able to redeem the stickers for some valuable equipment and classroom resources. Thank you to all the families and community members who have contributed.

**P & C News**

The Beverly Hills Public School P&C Association has decided to change the timing of their Annual General Meeting (AGM). This is an essential meeting where the elections for all P&C positions are held.

**When?** The AGM will now be held on **Tuesday, 1st December, 2015** (instead of in Term 1, 2016)

**What time?** 6.30 to 7pm in the Staff Room.
Why the change? In Feb 2015, not all elected P&C positions were filled so the Association was not able to start planning fundraising and other school activities until late Term 1. By holding the AGM in late 2015, we hope to be able to get up and running faster so that we can do more for the school.

More information on the coming AGM will be provided closer to the meeting date.

Digital Citizenship: Staying Safe Online

Here are some tips to talk about with your children to help them search the Internet more safely:

• **Be careful about what sites you go to** - the best way to do this is to use a well-known search engine like Google or Yahoo. Find an adult you can check with about which ones to use.

• **Be careful of emails that come from people you don't know** - sometimes people send emails to try to trick you, or the email has a virus attached that would muck up things on your computer. If you get an email from someone you don't know it's a good idea to delete it, block it or show an adult.

• **Be careful of clicking pop-up screens or filling out online forms** - These are usually made to get money from people or to trick people into receiving lots of emails. Check with your parents or another adult if you're not sure whether something is safe to click or fill out.

• **If you are feeling scared or worried about something that happens on the Internet** - tell an adult about what is happening, close the window down or turn off your computer.

• **Not everything on the Internet is true** - Be careful of believing everything you read on the Internet. If something you have read makes you feel worried or uncomfortable.

• **If you make a website, talk to your mum, dad or carer and get them to check it out!** - Adults can usually give you good advice on how to make your website safer, so you can enjoy it without breaking any Internet laws or risk someone else misusing your website.

• **Bookmark your favourite websites** - This will allow you to keep coming back to them without having to risk visiting other unsafe websites first.

If you want to help your children learn more about online safety, visit the 'Buddie' and 'KidSmart' websites where they can play some cool games that will help them learn more about how to keep safe online:
